REASONS FOR ALLOWANCE

The terminal disclaimer filed on 05/25/05 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of Patent Number 6,680,758 has been reviewed and is accepted. The terminal disclaimer has been recorded.

The terminal disclaimer filed on 05/25/05 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of any patent granted on Application Number 10/759,387 has been reviewed and is accepted. The terminal disclaimer has been recorded.

The following is an examiner's statement of reasons for allowance:

None of the prior art discloses or suggests a logic tree branch for steering electromagnetic energy having first direction, the logic tree branch comprising an active element for directing said electromagnetic energy into one of first and second paths, the first path being substantially parallel to the first direction and the second path being substantially orthogonal to the first direction, and a passive element disposed in said second path for directing said electromagnetic energy into a path parallel to said first path when said electromagnetic energy is directed into said second path.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
